HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

Title	CSR	Division	Chapter	Rule
3 Department	<i>Code of State Regulations</i>	10- Agency division	4 General area regulated	115 Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

Code and Register on the Internet

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is sos.mo.gov/adrules/csr/csr

The *Register* address is sos.mo.gov/adrules/moreg/moreg

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the Missouri and the United States Constitutions; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) business days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the Missouri Register as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

TITLE 15 – ELECTED OFFICIALS

Division 50 – Treasurer

Chapter 5 – Missouri Empowerment Scholarship Accounts Program

EMERGENCY RULE

15 CSR 50-5.035 Grant Program

PURPOSE: This rule sets forth general information necessary to carry out the purpose of the Missouri Empowerment Scholarship Accounts Grant Program and provides for the annual budget authority.

EMERGENCY STATEMENT: This emergency rule sets forth general information necessary to carry out the purpose of the Missouri Empowerment Scholarship Accounts Grant Program and provides for the annual budget authority. This emergency rule is necessary to protect a compelling governmental interest as the initial timing of the availability of funds for program year 2026 is integral to the budget authority passed by the General Assembly and signed by the governor. As a result, the treasurer finds a compelling governmental interest, which requires this emergency action. A proposed rule, which covers the same material, was published in the July 15, 2025 issue of the *Missouri Register* (50 MoReg 994). The scope of this emergency rule is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri* and *United States*

Constitutions. The treasurer believes this emergency rule is fair to all interested persons and parties under the circumstances. This emergency rule was filed July 25, 2025, becomes effective August 8, 2025, and expires February 3, 2026.

(1) The Missouri Empowerment Scholarship Accounts Program Grant Program assists certified Educational Assistance Organizations (EAOs) in awarding scholarship accounts to qualifying students.

(2) The treasurer may promulgate rules as necessary or desirable to carry out the provisions of the Missouri Empowerment Scholarship Accounts Program Grant Program. The treasurer may adopt policies and operating procedures concerning its internal management of the Missouri Scholarship Accounts Program Grant Program.

(3) Annual Budget. At or near the beginning of the program year, the treasurer shall provide the certified EAOs the anticipated budget authority for the program year. The anticipated budget authority may be increased or decreased during the program year.

(4) During the program year and based upon fund availability, certified EAOs may request reimbursement of allowed expenses for qualified students.

AUTHORITY: sections 135.719 and 166.710, RSMo Supp. 2024. Original rule filed June 16, 2025. Emergency rule filed July 25, 2025, effective Aug. 8, 2025, expires Feb. 3, 2026.

PUBLIC COST: This emergency rule will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the time the emergency rule is effective.

PRIVATE COST: This emergency rule will not cost private entities more than five hundred dollars (\$500) in the time the emergency rule is effective.

The text of proposed rules and changes will appear under this heading. A notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This explanation is set out in the PURPOSE section of each rule. A citation of the legal authority to make rules is also required, and appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules that are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close-of-comments date will be used as the beginning day in the ninety- (90-) day count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice, file a new notice of proposed rulemaking, and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

TITLE 3 – DEPARTMENT OF CONSERVATION
Division 10 – Conservation Commission
Chapter 4 – Wildlife Code: General Provisions

ORDER OF RULEMAKING

By the authority vested in the Conservation Commission under sections 40 and 45 of Art. IV, Mo. Const., the commission amends a rule as follows:

3 CSR 10-4.130 Owner May Protect Property; Public Safety is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on May 15, 2025 (50 MoReg 691). No changes have been made to the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Conservation Commission received comments from forty-eight (48) individuals and one (1) organization on the proposed amendment.

COMMENT #1: The commission received comments from seventeen (17) individuals who voiced their opinions on proposed changes to this rule; however, specific comments were not related to the proposal to allow property owners to capture or kill wildlife (except white-tailed deer, mule deer, elk, turkeys, black bears, mountain lions, and endangered species) with prior authorization from an agent of the department when other property protection measures have failed or there

is good reason to believe such measures are impractical or would be unsuccessful.

RESPONSE: The commission thanks the individuals who provided input.

COMMENT #2: The commission received comments from fifteen (15) individuals who voiced general support for proposed changes to this rule.

RESPONSE: The commission thanks the individuals for their support.

COMMENT #3: The commission received comments from seven (7) individuals who voiced general opposition to proposed changes to this rule.

RESPONSE: The commission thanks the individuals who provided input.

COMMENT #4: The commission received comments from eight (8) individuals who voiced opposition to proposed changes to this rule, and whose specific comments indicated permission from an agent prior to protecting property should not be necessary.

RESPONSE: Other provisions of 3 CSR 10-4.130 already allow a property owner or their authorized representative to capture or kill most wildlife species when damage is actively occurring without prior authorization from an agent. The proposed changes do not modify those provisions. The proposed changes will allow agents to authorize proactive damage control measures for most species when other property protection measures have failed or there is good reason to believe such measures are impractical or would be unsuccessful. Because evidence of active wildlife damage is unlikely under these circumstances, prior authorization from an agent is necessary to ensure compliance with 3 CSR 10-4.130 and the general hunting and trapping provisions of the *Wildlife Code*. No changes have been made as a result of these comments.

COMMENT #5: The commission received comments from one (1) individual and one (1) organization who voiced general opposition to proposed changes to this rule, and who believe the changes remove the burden of attempting non-lethal solutions prior to using lethal methods.

RESPONSE: To obtain authorization from an agent to proactively remove wildlife to prevent damage, the property owner must demonstrate that other property protection measures (such as non-lethal solutions) have failed or there is good reason to believe such measures would be impractical or unsuccessful. The proposed changes also include restrictions designed to promote public safety and minimize risks to domesticated animals or pets; limit authorizations for species where control without prior damage is undesirable, detrimental, or subject to federal regulations; and to ensure compliance with 3 CSR 10-4.130 and the general hunting and trapping provisions of the *Wildlife Code*. No changes have been made as a result of these comments.

TITLE 13 – DEPARTMENT OF SOCIAL SERVICES
Division 70 – MO HealthNet Division
Chapter 25 – Physician Program
ORDER OF RULEMAKING

By the authority vested in the Department of Social Services, MO HealthNet Division, under sections 208.201 and 660.017,

RSMo 2016, and section 208.152, RSMo Supp. 2024, the division amends a rule as follows:

13 CSR 70-25.140 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on April 15, 2025 (50 MoReg 534-538). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The MO HealthNet Division (MHD) received three (3) comments on the proposed amendment.

COMMENT #1: A comment was submitted by Sarah Hampl, MD, FAAP, and Meredith Dreyer Gillette, PhD, on behalf of Children's Mercy Kansas City. The comment was in support of the efforts of MO HealthNet to continue to increase access to care for child and adult patients with obesity through the Biopsychosocial Obesity Treatment benefit; however, suggestions were given to improve the regulation for clarity and to reflect best practices.

RESPONSE AND EXPLANATION OF CHANGE: Thank you for your comments regarding the proposed amendments. The consultation requirements are outlined in the Physicians Provider Manual and Behavioral Health Services Provider Manual, which are incorporated by reference in the regulation. Based on your comment, MHD will remove the definition of consultation from paragraph (1)(A)3. MHD agrees that edits to formatting and language should be completed to clarify professional requirements for IBT providers in subsection (2)(C) and will make these changes accordingly. MHD agrees clarifying language needs to be added to subsection (2)(C) with regards to licensed behavioral health professionals needing Continuing Education Units once they have obtained their initial certification. MHD will add clarifying language to reflect this change. MHD agrees to adopt similar clarifying language in paragraph (2)(B)3. with regards to medical nutrition therapy (MNT) providers requiring continuing education once their initial certification has been obtained. MHD agrees to replace the term "be obese" with "have obesity" in subsection (3)(C). MHD agrees that in subparagraph (4)(A)1.A. the youth benefit should include five (5) hours, not four (4), of individual intensive behavioral therapy (IBT). MHD will make this change accordingly. MHD agrees to use the term "healthier weight" instead of "weight loss" and "healthy body weight" in paragraph (5)(A)5. and will incorporate this change.

COMMENT #2: A comment was submitted by Shelly Summar, MSed, RD, LD, FAND, and Jordan Mize, MS, RDN, LD, on behalf of Missouri Academy of Nutrition and Dietetics. The suggestions pertained to MNT being classified as a medically necessary intervention, increasing limits of MNT for both the youth benefit and adult benefit, and revising the provider requirements for participation.

RESPONSE: Thank you for your comments regarding the proposed amendments. MHD agrees that MNT is an important component of the program. However, MHD does not want to prevent a participant from being able to participate in the program at all if a dietician is not available. As such, MHD chooses not to incorporate this suggestion. MHD appreciates the feedback with regards to increasing the limits of MNT for the youth benefit and adult benefit to reflect evidence-based practice. MHD chooses not to implement this change, although

this information will be considered in future updates to the program. MHD chooses not to incorporate the suggestion related to changing provider requirements for participation in the program.

COMMENT #3: A comment was submitted by Johanna Bisges, LPC, on behalf of MHD regarding updating the publication dates for the Physician Provider Manual and Behavioral Health Services Provider Manual in section (1) as well as correcting the number of total hours of individual IBT from four (4) hours to five (5) hours in subparagraph (4)(A)1.A. for the youth benefit. RESPONSE AND EXPLANATION OF CHANGE: MHD will change the publication date for the Physician Provider Manual to 5/6/2025 and the Behavioral Health Services Provider Manual to 5/2/2025 in section (1). As stated in response to comment #1, MHD will change the total hours of IBT allowed for the youth benefit to five (5) hours.
